If the email address you use is owned or controlled by an organisation (like your employer) we may share the existence of your account registration with them.

I accept the [free user terms](#) and have read the [Privacy Statement](#)

## The Service

Egress products and services enable millions of users (both paying and free) to protect the sensitive data they need to share. For more information on our customers, visit [case studies](#).

### Service Benefits

- Your Switch ID/Egress ID is a secure identity. This allows you to read and reply to encrypted emails as well as access large files that have been sent to you securely.
- Free users can send and reply to paying subscribers an unlimited amount, totally free of charge.
- Free users are automatically provided with 25 credits to communicate with non-registered users.
- Enhance the service experience by downloading our desktop, Outlook and mobile apps, totally free of charge:  
<http://www.egress.com/downloads>.
- Track in real-time when your secure emails or files are opened.
- Revoke access to a sent email or file in real-time.

To set up your Egress account please complete the Sign Up page.

You will need to choose a password to use when you log into Egress.

Once you have set up your account you can view and respond to secure emails from the Practice.
