# THE PRACTICE INSIDER

## Christmas Jumper Day!

On Tuesday 12<sup>th</sup> December and Thursday 14<sup>th</sup> December, our staff donned their favourite Christmas attire to support our fund raising efforts for the Salisbury Hospice Charity, in memory of our good friend and colleague, Elaine.

We are still counting the pennies raised from this event and will update our JustGiving page early in the New Year.

We are still accepting donations from patients who would like to help us support this wonderful charity so, please, if you are able to spare anything at all, please click the JustGiving icon, scan the QR code or type the URL into any browser to make a donation!

# A message to our patients...

Looking back at 2023, so much has changed! The abolition of mandatory face masks for patients and staff was very welcome for many of us - strangely, it was weird to see everyone's face again! July also brought us a new telephone system which has been a really positive experience (after a steep learning curve - who knew that telephones came in "soft" and "hard" varieties?! ) and 2024 promises some more developments with this which will improve waiting times and accessibility (keep an eye on our website for updates!).

2023 was another difficult year for the NHS, and General Practice, but we would like to say a special "Thank you" to our incredible staff, who have, once again, been tireless in their provision of exceptional care for patients under really challenging circumstances. We know that, whatever challenges 2024 brings, our staff will rise to it, and we are very grateful to have such wonderful colleagues.

We would also like to thank you, our patients, for your patience and understanding through many of the trials that General Practice has been navigating. Your messages of kindness and gratitude have been overwhelming and many of you also brought in biscuits, cakes, chocolates and other goodies for our staff to enjoy - whether you brought a gift, good wishes or a simple "Thank you" we are so grateful for your continued support over the past 12 months.

As we all make the final preparations for the festivities, we would like to wish all of you, regardless of how (or whether) you celebrate, a happy and peaceful Christmas and new year, full of joy, good food and memories made.

## Merry Christmas!
